註解 Notes:  
#The estimated composite tuition/programme fees listed above are for reference only. Tuition fees of senior year entry are charged according to the number of course credits taken by a student. A student normally takes 40 credits in an academic year.  
The composite tuition/programme fees listed above include laboratory/practicum/immersion course fee etc., if applicable.  
Non-local students will be charged at a higher rate.  
There will be an annual adjustment of tuition fees which will be capped at the actual Composite Consumer Price Index (CCPI) to be announced by the government. The estimated composite tuition/programme fees for the whole programme have not yet taken into account the CCPI for the second to fourth (or fifth) year, i.e. 2022/23 to 2024/25 (or 2025/26) academic years.  
Students, who fulfilled the stipulated requirements set by the Education Bureau (EDB), are eligible for the Non-means-tested Subsidy Scheme for Self-financing Undergraduate Studies in Hong Kong ("NMTSS") provided by the Government. For details of NMTSS, please visit <http://www.cspe.edu.hk/nmtss>. A student's eligibility for the NMTSS and the annual subsidy amount allocated in an academic year is subject to EDB's final approval. The annual subsidy amount of NMTSS for the 2021/22 academic year (AY) is HK\$33,100.  
Additional fees will be charged for students who are required to take a bridging programme.  
The immersion course fees do not include incidental expenses, such as airfare and accommodation fee, of the study tour of the course.  
^ Students of these senior year entry programmes may be required to take more than 40 credits of courses in the first year of studies.  
\* Students who have not studied developmental psychology at sub-degree level are required to take an additional 5-credit psychology course. The required tuition fees are included in the above table.  
+ This estimated composite tuition / programme fee is only applicable to places subsidised by other Government departments.
