

## Webinars for all Universities - COVID-19: How can International SOS help?

LIVE WEBINAR (Cantonese / English Session)

### **COVID-19: Health & Security Concerns for Students Studying Abroad**

Dear students,

As the Coronavirus disease (COVID-19) outbreak continues to develop in Europe, the United States and other countries, various government bodies have implemented different travel restrictions respectively. What are the implications for you whilst studying abroad? How International SOS can support you during this challenging time?

- **What should I do if I am symptomatic?**
- **What are considerations to be taken by those who want to leave? What if I cannot leave?**
- **If I decide to fly out, what is the risk for travelling from my current location back to Hong Kong ?**
- **How to minimise the risk when I quarantine at home with my family?**

Join us for a live webinar where our medical and account manager will address frequently asked questions on this rapidly evolving situation.

**OUR PANELISTS INCLUDE**

**DR JEAN CHIAM**

Senior Medical Advisor  
International SOS

**MS QUEENIE CHAN**

Account Manager, Sales & Marketing  
International SOS

Both our medical expert and account manager will be ready to answer questions you would have in mind.

Please register, even if you can't attend live. All registrants will receive a recording after the event.
