

OUHK Summer Internship Scheme 2018

Deadline Extended for the post offered by School of Nursing and Health Studies

Established by the Hong Kong Government in 1989, OUHK today has developed into a young, dynamic, full-fledged university. We began offering full-time face-to-face programmes since 2001 and currently have about 10,000 full-time and 9,500 part-time students in the five Schools at the OUHK with about 220 programmes of studies. In addition, there are about 2,000 full-time/part-time students studying in LiPACE.

The University strives to be a leader in providing open and flexible education to all, and to excel as a provider of higher education. Our full-time face-to-face programmes for qualified secondary school leavers are on par with other established universities across Hong Kong, and we are committed to advancing learning, knowledge, and research that meet students' learning aspirations and society's talent needs, focusing on practical and professional programmes. As a multi-mode university, we use innovative teaching and the latest education technology to offer world class education, guided by our core values of fairness, integrity, perseverance, and innovation.

To offer work experience opportunities for our full-time students, we are now recruiting **Summer Interns** for the following Schools/Units.
